Mobile: +43 699 108 650 31, E-mail: [tanzmeister@speed.at](mailto:tanzmeister@speed.at), Fax: +43 1 889 20 63

## STARTING FEE

20,- Euro (without exceptions)  
Multiple participation: + 15,- Euro per additional weapon  
Late registration: 30,- Euro for first start

## MODE

In all weapons men and women fence together. Men and women are ranked separately. There is a pre-round and a medium round with 4, 5 or 6 fencers each. The total index of the two rounds decides the division in marathon pools with 16 fencers each. The last pool may consist of fewer fencers. 4 fencers form a group in which they fight against each other first and then against the other groups of the same marathon pool. In case of equality of victories of the first places in the first marathon-pool a play-off bout with 5 hits decides the winner of the tournament. The organizers may change the mode for example only one index in one round with 6 to 7 fencers per pool in case of a high number of participants. Or if the number of participants is not higher than 20 there could be only one marathon pool with 20 fencers. For reason of organization there may even be separate men and women competitions.
